Dr. Ritika Jha

General Surgeon | Senior Resident
Email: ritika.surgeon3@gmail.com | Phone: +91-9155050097
Location: Jamshedpur, India

Professional Summary

Dedicated and detail-oriented General Surgeon with comprehensive training in both open and laparoscopic surgeries. Strong track record of managing complex surgical cases with a patient-centered approach. Skilled in operative and post-operative care, surgical audits, and academic contributions. Experienced in high-volume tertiary care and teaching hospitals.

Experience

Senior Resident – General Surgery
Manipal Tata Medical College, Tata Main Hospital, Jamshedpur, India
April 2024 – May 2025

- Independently managing elective and emergency general surgical cases.
- Performing laparoscopic cholecystectomy, appendicectomy, and hernia repairs.
- Assisting in complex gastrointestinal and hepatobiliary procedures.
- Conducting daily ward rounds and overseeing pre- and post-operative patient care.
- Participating in surgical audits, morbidity/mortality meetings, and quality assurance practices.
- Engaging in academic presentations, journal clubs, and mentoring junior residents.

Senior Resident – General Surgery
Aster CMI Hospital, Bengaluru, India
October 2023 – December 2023

- Continued as Senior Resident post-DNB to manage complex surgical cases and ensure continuity of patient care.
- Independently performed laparoscopic surgeries including cholecystectomy, appendicectomy, and hernia repairs.
- Assisted in advanced gastrointestinal, hepatobiliary, and endocrine surgeries.
- Contributed to academic meetings, surgical audits, and mentoring of junior residents.
- Maintained high standards of clinical documentation and patient safety protocols.
