PROFESSIONAL HIGHLIGHTS

12+ years' healthcare experience; expert in operations, client management, leadership, and patient care.

P. D. Hinduja National Hospital & Medical Research Centre – Mahim, Mumbai 2014 – 2021

ROLE: Nursing Officer – Clinical & Emergency Care Operations

- Delivered high-quality patient care across multiple critical departments, adhering to hospital protocols and patient safety standards.
- Actively contributed to CSR initiatives, supporting healthcare delivery across 45 adopted villages, providing free medical services and community outreach.
- Collaborated with multidisciplinary teams to improve care coordination, patient outcomes, and operational workflows.
- Played a key role during COVID-19 operations, supporting critical care units and emergency response efforts.
- Led clinical documentation, infection control, and compliance processes, ensuring adherence to NABH standards and hospital quality benchmarks.
- Supported training and mentoring of nursing staff, enhancing team efficiency, clinical competence, and patient care outcomes.

HBTH Trauma Care Hospital (BMC), Mumbai 2013– 2014

ROLE: Staff Nurse – Trauma & Emergency Services

- Provided emergency and trauma care services in a high-pressure government hospital environment.
- Assisted in acute patient management, emergency procedures, and coordination with medical teams.
- Maintained strict compliance with clinical protocols, infection control, and documentation standards.
- Managed high patient volumes during critical emergencies, ensuring rapid triage, stabilization, and timely interventions.
- Supported trauma unit operations through accurate reporting, shift coordination, and adherence to BMC healthcare regulations.
